Bob, My memories of us over the last 63 years is nothing but good. We had good times and some not so good, but we were able to stay together and I am so blessed to have had all those years with you. Right now I am so lost without you. You were my everything and always there for me. I remember how much you loved Alabama and all the time we spent there. I remember how we sat at the beach in Gulf Shores ,ate ice cream and loved all those moments at Johnson Beach walking and watching storms over the ocean. Oh how I wish we could go back just you and me one more time. I hope we will see each other again. I will love you forever. Miriam
