“ Tony!

I was on vacation when I found out you passed. :( You were a goofy patient and always loved to make sarcastic jokes to me even when you felt like crap! I think it was either your brother or wife that said "if he is being sarcastic with you, that means he likes you." Tony, you are no longer suffering and I pray for you to watch over your family until you meet again. Rest easy Tony.

Sincerely,

Sam Simon, RN from Seidman 5

“ Tony came into our family when he married my sister Jan. She was always the love of his life their 38 years together. Through the years Tony endeared himself to our family by his love and concern for others and his keen sense of humor. I will always treasure the time he arranged a surprise visit from me for my sister's 40th birthday celebration. Birthdays and holidays meant alot to Tony.

His physical heart may have given out but the love from his heart will live on. Tony's spiritual heart was made new when he trusted Christ as Saviour and tho we grieve it is not without hope, for we know he is waiting for us with the Lord.

“ I am shocked and saddened to hear of Tony's passing. He was my supervisor at The Beachwood Adult Activities Center when I worked for the County. He was the best supervisor I ever had. Always kind, always supportive, had a wonderful sense of humor,and an inner peace and calmness that always made you want to be around him. One day at work, he came up to me and said, "Mary, come by my office when you have a chance. I have to talk with you". And, because he knew me so well, and knew that I would be anxious about it, wondering if I was in some kind of trouble, he would immediately follow it up with, "Don't worry" you're not in trouble", just so I wouldn't stress about it. That was Tony...a good guy through and through. He always talked about his family with such love and pride. I wish we had more people in this world like Tony. My condolences go to his family and friends. You all are in my thoughts and prayers. Rest in Peace, Tony.

“ Tony was one of my supervisors when I first started with the County. He was a fun guy and made the work place a fun place to be. He loved to play pranks and would try to keep a serious face while doing so. Truly one of the good guys! Condolences to his family.

“ I worked with Tony at CCBDD for many years. He was always kind and compassionate. He spoke often to me about his family and it was clear he was so proud of his children and loved them and his wife so very much. I lost my husband earlier this year and am sorry for your loss. When the grief becomes overwhelming, it has helped me to try and instead think of how grateful I am to have had such a wonderful husband. I am certain you feel that way as well and can use that to soften some of the sadness. Also, continue to tell the stories about him and to speak his name out loud. That way, he remains in your life and with you.

“ My Dear Brother, Tony!

I just cannot believe that you are gone!

We saw it coming... But this stark, final reality is gut wrenching! You sure fought to be here with all of us, but God had other plans. It will take a long time to heal the void that you leave in the hearts of those who love you! I am

Thankful that God gave you to me as my brother.

Thankful for the love of our family.

Thankful that you are now at peace.

I pray that God will bless Jan, TJ, Alyssa in the years and decades ahead. They all have your tenacity and your love that you leave behind to bolster them.

Until we meet again, may God hold you in the palm of His hand. You will live forever in our hearts and may you live forever in everlasting peace!

Love you .... forever!

Your Brother,

John

“ Jan, Tony was one of a kind. As you know I worked with him for over 25 years. He never stopped talking about you, your daughter and tj. He was so proud of you guys. I'll always remember our early morning coffees and breakfasts at work. After I retired Tony and I would catch up at least once a month for breakfast. I'll truly miss him and his jokes. It seems so unbelievable that he has passed. I know you loved him, but God loved him best. I pray that God will strengthen and keep you and your family during this time.

“ Uncle Tony will be so so missed.... I will always remember his sense of humor and amazing cooking abilities. As I write this, I'm twirling my hair as I always do... imagining him teasing me for it, just as he did all the time. His chair at family holiday gatherings may now be empty and his presence will be sorely missed, but I have no doubt the room will be filled with his spirit. He will forever remain in my heart!!

“ I worked with Tony over the years. I provided support for his computer. He was such a nice and giving man. When I lived in Chardon, he went out of his way to come pick me up to give me a ride to work—a 30 mile ride! I know he will be missed. My thoughts are with his family.

“ I don't think it has truly hit me that you are no longer with us. Holidays will never be the same without you, always “competing” who got Grandma the better gift, and just your humor and willingness to always help. You were such a gentle giant. Rest In Peace Uncle Tony. Love you always

“ Since I never had a brother of my own, I welcomed having Tony as a brother-in-law and will miss him dearly. Tony was a great person and always enjoyed our visits together. We had great conversations about the Indians, life, and mainly our families. We shared the same sense of humor, which could be a little "off" to others but we always got each other. I know he is at peace and in a better place, but wish we could have shared him for a little longer. Love you "brother"!
