“ Uncle Tony you will be very missed. I have such fond memories of you especially at the Eagles and of course you're house on Christmas Eve for the traditional Italian Christmas Eve dinner. You also took me on my first and only motorcycle ride which I fondly remember. You were such a wonderful person to be around, always full of laughter and joy and such a truly genuine great guy. You will be greatly missed.

“ Tony, you will so be missed. Your wit was awesome. You made one heck of a Santa Claus. The awesome gas powered sleighs you drove in Mentor were awesome. You mad so many people's lives better by being in them. RIP my dear friend.

“ My big brother was my best friend while growing up, he taught me so much. He took me dancing, taught me to drive and protected me. I love him and will miss him and pray I will see him again. Rest in peace big brother. Love, sis Sharon Francis.
