“ I first met Dorothy and Ralph when I was new in the Truth back in the eighties. Ralph was the Watchtower conductor in the Willoughby Congregation when I gave my very first comment. He was so knowledgeable. I eventually went to Painesville where I lived a mile down the street. I was happy when Dorothy started coming to Painesville. She was an inspiration to me. It was there I learned that her favorite candy was York peppermint patties (mine too). I started bringing her tins of them then started adding little Clark bars, which she also liked. That didn't last long as they stopped carrying them so I started adding Three Musketeers and Milky Ways. I am so glad to have known Ralph and Dorothy and look forward to their resurrection in the New System in perfect health in a perfect world.
My condolences to her family, relatives and friends.
