“ I am so sorry on hearing the passing of your father, I remember meeting your dad in 70's and he is a great guy. I remember him taking my family to Seaworld and the Cleveland Air Show many times. As I got to become an adult and I would run into Ed, we would always talk for a long time. Again I am so sorry for your Loss. Matt Zarbock

“ Rob and Mary, Liz and I were so sad to learn of your Dad's death. Kate would often share news and stories of her granddad. She loved him so very much and always spoke of his strength and resilience. I know she will miss him so very much - as will you. Please know that Liz and I continue to pray for you and your family during this time of bereavement.
