“ Julia, John and all my cousins
We just recently heard about Aunt Francis. She was a wonderful Aunt and one of the sweetest people (Along with Aunt Julia) I have ever known. While I know that you will miss her deeply she is now home with the Lord and her first family. She was the youngest and lived a wonderful very long life. Our thoughts and prayers are with youall.

Your Cousin Stephen and family

“ Dear Cousins

I am sadden to hear of your loss. I knew and loved both your parents.

When your mom travelled to our area for a family event, she stayed with me. I was thrilled. I so enjoyed having her. We shared so many memories.

I want to share a story that my mom told me about your mom. When I was born, apparently there was a big "to do" about my name. Your mom was 9 years old so she was more of my generation than my parents'. Mom said that your mom came to her and said "Frances is a pretty name". Dad made the decision that my name would be Wanda and mom said Frances would be my middle name. So I have that connection to her.

She was a wonderful person and loving Aunt.

“ Dear Cousins,,

I

IN rembering a beautiful picture of Aunt Frances around 17 or 18 and our brother Greg(age 10) at Grandma and Grandpa's farm, Greg said,You know, we (Greg, Connie age 8, Marty age 5) were the chaperones for Frances and Eugene!!"

Some years ago Connie(who passed away in2011) and I took a trip to Pa. We enjoyed hearing about her growing up on the farm, going to school , her brothers and sister. Driving time went by so fast, it seemed like a drive from her house to the Mentor Mall.

Aunt Frances also showed us where the farm was and where Uncle Eugene grew up. She also pointed out where different neighbors lived and their names. She had a great memory.

Great memories of Faye and I visiting Aunt Frances in Mentor and making pierogi, talking about her visit to Poland and the cousins over in Poland.

We will miss her. Please accept our deepest condolences. Aunt Frances was a wonderful, kind person and she and family are in our thoughts and prayers.

“ I have many fond memories of Aunt Frances that go back to Grandma & Grandpap's farm in Elliottsville. While I could not have been more than 4 or 5 years old, I clearly remember Aunt Frances taking me with her to deliver milk cans to the main road for pickup. On the return to the farm she let me ride in the cart. We would talk and laugh all the way back. She was the best aunt ever.

I will miss our 3 or 4 calls a year to catch up. However, I take great comfort in knowing she had a wonderful life, left us many wonderful children, and is now with Uncle Eugene and my Mother and Dad, Beulah & Basil in heaven.

Our deepest sympathy for your loss.
