“ Gary I'm so sorry we didn't have more time. I met Gary when he was seeking out a shop to restore his bike from childhood. Gary chose my shop .As I worked on this bicycle we grew to be good friends. Gary was someone you Could count on to always say something nice even when times got hard. I have never known such a gentle soul. I'm going to miss seeing you pull in to the same parking spot when you would pop in for a visit. The world will always be a better place with people like Gary in it . You will be missed. Goodbye my friend.

“ You will be greatly missed! I never met such a caring soul as you. We had so much fun over the last few years going for an afternoon out on the motorcycles, trying to find a cool car or just going out to eat. I'm a better person from watching you help every life you touched. Save me a spot for when it's my time.

One of your dearest friends,

Brian B

This says it all:

If tears could build a stairway,
and memories a lane.
I would walk right up to Heaven
and bring you back again.

No farewell words were spoken,
No time to say "Goodbye".
You were gone before I knew it,
and only God knows why.

My heart still aches with sadness,

and secret tears still flow.
What it meant to love you -
No one can ever know.

But now I know you want me
to mourn for you no more;
To remember all the happy times
life still has much in store.

Since you'll never be forgotten,
I pledge to you today~
A hollowed place within my heart
is where you'll always stay.
