“ Genie, Genie, Genie. To our family. Our prayers of comfort are for us all. Genie was our protector and shelter of this family, the glue that holds us all together, the one always passing down memories of our families past. We are going to miss her dearly. Her memory is our keepsake, with which we will never part. God has her in His keeping, but we have her in our hearts. She was a portrait of a Virtuous Woman. May God Bless us and Keep us.

Our sister Belva and Genie are celebrating in their heavenly home. They were born nine years apart from each other; shared birthdays one day apart, and went home to be with the Lord two months from each other on the same date. You both are finally together, along with the rest of our heavenly family.

Love you James, Terrell, Nancy, Tracey, and grands. From Your family in Virginia (Uncle Freddy's children).

“ Aunt Genie this is a hard one to swallow for me. Long as I can could remember as a young kid I always seen you in my life. From Sunday school to vacation bible school to Sleep overs at the Church, to talking to you about life as an adult and sharing your testimony with me to playing the drums and in the corner cracking jokes with you when I would come sit in front of you in the pews sneaking me candy. You are and we're definitely another mother to me Sorry I never had a chance to tell you that but I'm sure you knew. Heart of Gold and never can be replaced Queen Rest and we will meet again on the other shore! To the Family I Love You All and pray for your Strength to carry on what she taught. Tony Meeks
