“ Dear family of Geraldine Losey, We are your cousins, Dolly & Rosemary Horvath. We have never met any of you, but you are very dear to us. We offer you are deepest condolences on the loss of your Mom & Grandma. Unfortunately, we were not close to you many years ago, and the reason is very unclear, but in later years, we did get a chance to know your Mom. As she once stated, she was the Matriarch of the family, after Grandpa & Grandma passed away. We also had a brother, Joe, who was the next oldest, but he passed away 10 years ago in 2011. We are planning on being present at the funeral services this Wednesday & are looking forward to meeting all of you. Life is so very short & so very, very precious. If we have learned anything in our brief span of time, it is that no matter what, past differences & old hurts need to be put aside & forgotten. All that we have is each other. It is just my sister & I now. Both of our parents passed away over 30 years ago. In fact, our Mom passed away 47 years ago. That is a lifetime. But, God bless you all & may He comfort you all in your sorrow.
