“ I was so saddened to read of Janet’s passing. My father shared that sentiment as well. Art and Janet were a big part of our lives. I was always thankful for the mentoring she provided my sister Carrie. Janet always welcomed us into her home. My childhood is filled with memories of laughter, parties, camping with the group and just going over for a visit. 271 Mosley was a staple. I had the opportunity to reach Janet on the phone in Ohio a while back. She told me how happy she was to be there. My ‘Aunt’ Janet will always hold a special place in my heart as well as my father’s. Thank you for sharing her with us. Kelly (Carmichael) Wheeler

“ Janet Hess was my Master Teacher at Craven Crawford. She was kind enough to offer me a ride to school every day since I lived around the corner from her in Eastwood. She was a wonderful teacher and great mentor. Thanks to Janet, I enjoyed a wonderful career of 33 years of teaching in the North Syracuse School District.
