“ Some of my best memories were centered around family get togethers at aunt Joann and uncle Dale’s house. We all would descend upon their house with tons of food on hand. Afterwards, we would play a heated game of volleyball. Aunt Joann did this to make sure that the family always got together and had a chance to visit with each other. She was the true matriarch of the family. I will miss her.

“ Sending our love to Debbie, Breana, Brett, Tiffany, Kylie and their respective spouses for the loss of such a dynamic woman. My sister JoAnn has been such an important part of all of our lives. Not only was she a wonderful Mother and Grandmother, but she was like a second Mother to my younger brother and sisters when we were growing up. She will be missed so much. Gene (& Eileen) Copen

“ We were neighbors since 1975, and will miss JoAnn. She was a good neighbor, and brightened the world with her gardens and her sass. Truly, they don't make 'em like that any more. Condolences to Debbie, Break a, and Brett, their families, and all her other loved ones.
