“ I extend my sympathy to Barb and her daughters and to his brother Jim along with their extended family for their loss of John.

The following quote describes exactly what John created in his life dedicated to those that had meaning in his heart. He gave freely and with spirit while gathering joy within himself by expressing it.

"Don't cry because it's over. Smile because it happened." --- Dr. Seuss

Having known John in Kirk Junior High and the class of Shaw High '56 I am thankful for his total commitment and devotion to us all.

“ Dear Barb, Karen Carole and Cheryl, Bob and I we were so saddened to learn of John's passing. So many cherished memories to reflect on as a neighbor, friend and his dedication to the Kirtland community in so many ways. We will miss his friendly smile and hello at the basketball games and his resounding voice introducing the Kirtland band at the football games. Farewell John and thank-you for being such a wonderful part of our lives for over 53 years. Sincerely, Judy and Bob Sayle

“ Mr. Bodmer was such a wonderful person. I have wonderful childhood memories when I was in school with Karen. From many weekend sleepovers , to Gem Beach trips to announcing the Marching Band when we were in HS. Loved hearing his voice announcing us when we marched out onto the football field , and of course who could ever forget him at the Strawberry Festival. Many years have passed though it seems like just yesterday. My heart is broken for Mrs. Bodmer, Karen, Carole , Cheryl and their beautiful families. My prayers are with all of you as I go down memory lane with a smile on my face hearing Mr. Bodmer calling me “Kim She”. Love to all.

“ Barbara, Karen, Carole, and Cheryl- After spending 20 years with the Kirtland Schools and community, it would be hard for us to name anyone who dedicated more of his time, service, caring for others, and just a genuine love-of-life, than your husband and dad; he will be missed in so many ways throughout the school district and community. We can't stop thinking about John and the memories associated with all of you. Jane and Steve Young

“ John and Jim were high school classmates and John was wonderful keeping our Shaw High School Class of 1956 together for 65 years. He organized reunions and even if you couldn't attend you got all the information and were emailed regularly of activities including deaths of our classmates, From what we have read in his obituary he was also very active in his community so many people will miss him. We are so saddened by John's death and send love and sympathy to Barb and the family. He may be gone, but he will never be forgotten.

“ In this modern age I must now delete a contact on my cell phone for someone who will no longer answer. Someone who told it like it was and told the story of what Kiwanis meant to him and others and the many events he help mold in Kirtland. Role model is not just a word, but of what and how he helped others.

“ Mr. Bodmer was a beloved coach of mine while playing softball at KHS. I played all four years, 2000-2004, but some of my favorite memories were the years Mr. Bodmer was one of our coaches. He was always enthusiastic and encouraging and put up with us and our antics, often laughing along. Sharing a team photo here, I believe it was the Junior Varsity team 2001. Sending my love to Mr. Bodmer's family.
