“ In 2000, I interviewed with the First Baptist Church, Painesville Pastoral Selection Committee. It was composed of some pretty talkative members but a quiet member caught my attention. His name was John Goertz. When I had the opportunity to chat with him privately, I soon learned that here was a man of deep faith and real substance. And during my six years as pastor of FBC Painesville, these early observations brought these truths home to me and my wife Judy, over and over. He truly was a Christian gentleman who “walked the walk” and was on a mission for God. Our sincere condolences go to Susanne and the entire family. Larry & Judy Hicks

“ We loved our Uncle John and feel such great sympathy for Tante Susanne, cousins Christine, Ingrid, Anita and their husbands and children. What a wonderful, absolutely outstanding man he was! Words cannot fully express the profound impact he made on so many. We were all blessed to have had him in our lives and he will be greatly missed. Remembering with fondness all our family vacations back and forth between Ohio and Ontario - even that phone call asking us why we hadn't yet arrived at their house during our Canadian Thanksgiving long weekend. As it turned out, they thought it was one week earlier and had the turkey cooked and table fully laden with their traditional home baked desserts just waiting for our arrival. We loved those special times together - laughing and watching old family slides, playing tennis, Sunday morning church service, and just hanging out together. Uncle John will be greatly missed but his memories will carry on forever. Love Judy (Neufeld) and all our family

“ Nearly fifty years ago I moved to Ohio from NYC. My first day at Ridge found me in a German 1 class with Herr Goertz and so began a friendship that lasted to this day. My entire adult life and my teaching career at Euclid (German teacher) were directly influenced by him. His own daughter was in my German class in '78-79. Trips to Germany in '74 and '85 with the Goertz family, periodic visits to his home and shared life occasions (he was an usher at my wedding) made our time together memorable. Not many students get the opportunity to grow old together with the teacher who touched their life most. Susanne, Ingrid, Anita and Christina were truly blessed as were all who knew Herr Goertz.

“ It's been thirty some years since I had him for Geography at Ridge. I still quote some of things I remember him saying in class. He told a funny story about Anita leaving the door of the house open and letting in cold air. I can still hear him saying, in his accented English, "Anita, I'm not paying to heat the world!" I'm very sorry for your loss. He lives on in the lives of thousands of students!

“ Es tut mir leid. So many memories of the Goertz's and the girls weave throughout my childhood. I loved running into Mr. & Mrs. Goertz during college and grad school at the Painesville YMCA where we were all 3 swimming laps and catching up. It's hard to put into words the kindness, honor, faith, and inner strength Mr. Goertz exuded each time I saw him from being a little girl to an adult. I am richer for having known him. Many prayers and much love to Mrs. Goertz, Christine, Ingrid, Anita, and their husbands and children. May the angels welcome him into paradise and may he Rest In Peace. -Paula Roediger

“ Unfortunately, I'm living in the NYC area and will not be able to be home.

“ I had the privilege of attending a Civics class he taught at Ridge Jr. High. So sorry to see him go, and I hope he finds peace in heaven.

“ I had the great honor of growing up next door to the Goertz family. Ingrid became my best friend and her parents and sisters became my 2nd family. I was one lucky kid! It's impossible to put into words the impact that Mr. and Mrs. Goertz had on me. They helped shape me as a human being. They both exemplify selflessness, kindness, hard work, faith and love of your fellow man. I had the great fortune to see them in 2018 and to let them know what they mean to me. My memories and love of all the Goertz's will forever run deep and put a smile on my face now and always.

“ John was the kindest, strongest, and most humble servant of the Lord I've ever known, and Anita and I were blessed to call him Dad. We have no doubt he is with our Lord and savior enjoying his heavenly reward. We thank all of our family and friends for their love and support. PHI 4:13
