“ I never met Joe, but from the stories his sister shared with me he carried a light within himself that shown and made the lives of others so joyful. I can't imagine the emptiness that Joe's absence will leave.....for the community and family. My heart is breaking for you all.

“ To Joe's Family

I worked with Joe in the Senior Center kitchen. He did the dishes and I handed out food to the seniors (pre-COVID). We got to know each other and would sing oldie songs together. He was special and I so enjoyed getting to know him. When I would see him in the hallway at the Center, after working out, he always had a smile for me and we would stop and chat. I am so sorry for your loss and will truly miss Joe.

“ To the Hemly family, In this saddest of times I just wanted to let you know how much Joey brightened our daily routine. Years ago with our businesses side by side, Joey was a daily visitor. He always had that big smile on his face and took life as it was. He was a kind and passionate soul and did whatever he could do to brighten and lift everyone's spirits. I know life much have been challenging for him but he never showed it. We could all learn a few things from Joey. He will be truly missed. It has been quite a few years since we have seen him, but seeing his smiling face on this site brings back so many memories. Rest in peace our dear friend. Love, John and Sarah McDonald

“ Dear Mary Ann,
Hi! My name is Patrice Teare (Rhamy) and I attended grade school with you. At this time, I would like to express my sincere condolences to you and your family over the loss of your brother, Joe. He certainly was an inspiration to others who endured much and even so, never gave up. He was a very good hard worker and did his job well. So happy to read that he had a lot of friends and was involved in so many different activities as well. He made the best out of what life handed him and fought the good fight. So proud of him.
May you find comfort in knowing that your brother, Joe is in God's hands now. I wouldn't be surprised if he has already received some kind of award because he made the most out of his life that he could under the circumstances, accomplished much and never gave up. Wow! What a man.

Love Always,
Patrice Teare

“ Hemly family, I'm sorry to hear about Joe. He was a staple of the neighborhood and kept an eye on all -- including Pistachio's whereabouts! I'm sure he's already playing bingo with my parents. I will miss seeing him when I visit my sister's. -- Kathryn
