“ I remember visiting Grandma Mary Ann and watching Anne of Green Gables on her comfy couch. I also remember her taking me to sail boat races at least once. When I was older I worked with Grandma Mary Ann at one of the Jewelry stores she worked at. I enjoyed learning things about the job from her. She will be missed I loved her big hugs and smiles.

“ Aunt Bunny.. she (and her famous couch/chaise lounge) made for many an entertaining evening growing up with her nieces. You didn't meet her, and not become a "niece" by association. In my adult years - I'd bump into her periodically - and it always seemed like it was at just the right time - and a giant hug from her just put your heart right. Warm, animated, and a smile that reached to her eyes.. I saw so much of her in Katie - and it makes me feel a little better knowing that they are together again. I hope Heaven is covered in diamonds for you both. <3 I'm thinking of you all.

“ Funny Bunny!!! I have no words. Miss the slot machine! Lol. Long talk on the big orange couch it had the perfect indentation on your chaise. How long was that around 30 plus years. You always made everyone feel welcome! Turned strangers into family! I love you amd the rest of our family very much!!!
