My Dear Aunt Mary,

I just happened to come across this and my heart dropped to my feet. If I had known you were leaving us I would have come to see you! You were always my favorite person to visit with everyday. I will miss coming over to your house there on Cadle Hill. I will miss your good cooking always wanting to share with everyone who came to see you! I will have another toasted cheese sandwich with mustard on top of it while I think of you being up in heaven with not only your children and husband but as well as my Momma. You were always so much fun to come and visit with! I enjoyed that time with you and the love you shared with myself and my other siblings. Aunt Mary you will remain always in my heart in that special bonded place you have always been! God blessed me with you for a reason and now you are resting peacefully and had a beautiful life that you shared with everyone who's lives you touched. May you always remain forever in our hearts and souls. I love you Aunt Mary!!!! Always and Forever!

Love always and forever,
Your sweet Colleen Vidmar Durant
