“ I met Michael in 2005 when he boarded his Parrot "Fred" at my store. We became friends and would call each other often just to say hey how ya doing. He was always there with a shoulder to lean on. 9 years ago he trusted me enough and turned ownership of Fred over to me. Michael would call once a week just to see how Fred was doing. I will miss Michael and our talks about life and be forever grateful that I have Fred. My thoughts and prayers to his family. Rest in Peace Michael my dear friend and fly high.

“ Both Tana and I grew up with Mike went to school with Mike and had many wonderful memories of Mike and with Mike. We are so sad that Mike passed so soon and untimely. Since I have cancer myself I thoroughly understand how his final days went. We both hope Mike is truly resting in peace and our hearts go out to his family and all of his friends. “ My family has known Michael for many years. He had a heart as big as the . He was helping me in a personal matter for the last 15 months so we would be on the phone every day or every other day and the stories omgosh they were so funny. I will never forget that laugh and voice and I miss not hearing it. The next chapter in my life will be because of him and I will raise a glass to him when it's time. I thank you for being there for me Michael and this isn't goodbye, this is I'll see you later! Rest easy my friend and Go OSU!

“ I've known Mike since 1984 and in that time that I have known him he was one phone call away. He has been there for me through thick and thin and I never questioned his wise advice. Through the years we have also grown in French just to pick up the phone and say hello initiated by him or myself. I am going to miss him and those conversations that would run on for hours at a time but thank God he wouldn't bill me for them. I should've billed him . Rest in peace my friend. Abe Hamed
