“ Dear George. This voice from the past was sad to read of the death of your husband. 55+ years have passed since we were roomies that summer. I did hear from someone you married, but never went to reunions. I do touch base at Xmas with Becky, Abby and my roommate Jean. We live on opposite sides of Cleveland which might as well be another world. Again, so sad to read of your loss. Fondly. Susan Pachonka Knight. “ Georgianne, stan and I were saddened to see Rickie's obituary today. I had wondered why he never attended the 60 th reunion or the 80 th birthday party but didn't know where to reach you. I hope he didn't suffer.

Stan has major health problems himself. His kidneys have failed . They were failing for years but he's now not getting better. Spends all day on the couch. Very sad.

Please accept our sincere condolences.
