“ There are so many memories to share, can't say just one. (infamous handstands)We will forever miss our friend Bob or Robert as Greg called him. His laugh was contagious, and his smile was genuine. Bob had a heart of gold and helped everyone whether they asked or not — and without payment! A close circle of friends from elementary school for Greg and High school for me, Bob was part of our circle and we will all truly miss him. As Bob would say this is not Good-bye....it's see ya later. We love you Bob....see you later, old friend,

“ The world will be a lot less happier without your great smile and laugh. In the 40+ years that we have been friends you were always there to help or lend a hand. We've shared so many life events. Weddings, births, holidays, birthdays, graduations and everything in between. We not only lost a friend, but a family member. We will miss you so much. Our hearts and deepest condolences go out to Sharon, Jodi and Bobs family.
