“ My daughters and I would go visit my Aunt Rose with my Mom, Gloria whenever we were passing through on our family trips. We loved stopping in to visit with Aunt Rose. She loved showing us her lovely gardens outside and because I had met her brother Paul while my husband and I were stationed in W. Germany when in the Army in from 1988-1992, we enjoyed talking about her homeland. I know she missed Germany very much and loved talking about it. On one such visit, Aunt Rose took us out for lunch and my youngest daughter Brittany was about 11 yrs old... and she is a very picky eater. We were at TGIFridays I believe and Britt didn't want just a hamburger... she wanted a steak! She has always loved the expensive stuff. To this day... Britt remembers Aunt Rose insisting she get the steak!!! And what a great reminder in life from her dear great-aunt Rose... treat yourself and get the steak if you want it. Life is short. Enjoy family time and a good steak! Much love, hugs and prayers to my oldest cousin Joyce. God be with you during this most difficult time. But rejoice in knowing your mom & dad are reunited once again in heaven. Peace be with you all.

Love always, Barb, Charlie, Carrie and Brittany Adams.
