“ I grew up in the house next to/behind Sandy & Tom’s. My earliest memory of her is how much she loved her pups, and would even let them swim in the pool! She was always a wonderful friend to my family. Since my grandma passed away in 2014, Sandy has checked in on my Papa and invited him over to make sure he always had a friend and someone to look after him. Thank you so much for keeping Papa company, Sandy! Now it’s our turn with Tom. We couldn’t have asked for a sweeter neighbor. We’ll miss you!

“ What a wonderful friend to my family. I cannot remember seeing Sandy without an adorable smile on her face. I couldn’t have asked for a better neighbor for my parents. She and Tom were always there with kindness and care. I know my Mom and Sandy are celebrating together in Heaven and Dad and Tom will continue to look after each other.

“ I have the incredible privilege to have sandy as my sister. My partner in crime and best friend. We stood side by side through life’s journey laughing in the good times and holding tight to each other through the bad time. She was always someone I could count on no matter what and I will always be grateful God gave me a sister (and a pretty terrific brother too)!

I know San’s in heaven now laughing with the family and straightening everyone out (she liked to be in charge). She was a light that shined bright and will never be forgotten and missed more than words can say.

Fly high San, and stop by for a visit every now and then. I’ll be waiting (and bring my “cardinal” with you). Until we see each other again...

“ Sandy was the most beautiful person and will be greatly missed. She was my first friend in Leroy when I moved here. The second time I attended a garden club meeting she and I actually went shopping for our fur babies. I felt like I knew her forever. She would randomly pop in and check on me after my surgeries and I always knew she was just a phone call away. I will definitely miss her hugs, they were the best!
