“ My deepest condolences go out to Vicky and the family. I just found out of Sophie’s passing. Sophie was wonderful. I grew up right next door and I have to say Sophie & Vicky were like my adopted grandparents. I went over to their home every week, I must have been 5 or 6 at first until the age of 10 when my family had a house fire and we had to move. These women were full of love and thoughtfulness. I swear not a week went by during those years where I wasn’t over there playing board games such as yatzee, uno and all sorts of card games. They fed me lunch and even kept a tray full of hard candy for me if I happened to stop by. My memories of them will be with me forever. I cherish the time I had with them and I was truly blessed as a kid to know them. I am grateful to have stopped by and visit them the summer of 2016 for the first time in over 20 years. I once again knocked on their door hoping they’d once again answer and sure enough both were home At 92 years old and they welcomed me with open arms. Thank you Sophie & Vicky for all the memories. Sophie you will be missed by many and will forever be in my heart!
