“ Dear Claudia,
I never met your father but I am not surprised that he was an animal lover. His love of animals and people was reflected in you when we were classmates at St. Mary Magdalene. You were a very sweet and kind that I will always remember. Some classmates come and go but others leave a positive memory.
Sincerely,
Gregg Transky

“ Stan Kollar was an Instructor of mine, way back in the early 70's, and I distinctly recall a conversation that took place between us as I showed him a Shore Junior High football team photograph which included an older brother of mine, who played for the Shore Admirals several years before me.
Mr. Kollar recalled my brother's talent as a running back, and he advised me to concentrate on emulating my brother's running style.
RIP
Prayers to the family.

“ So sad to loose the last of this great Kollar generation. I loved when Uncle Stanley came over, you always knew we would be playing some great card or board game. Rejoice in all the wonderful memories. All my love to the rest of the family.
