“ Agnes was one of the kindest people that I have ever met. She welcomed me into her life as her 2nd daughter when I met her while I was attending college with her daughter (my best friend). She lived a life that exhibited what a true woman of God looks and acts like. She loved my two children as her grandchildren. Treated my husband and brother like her sons. We celebrated every holiday with Agnes and Tom. I'll always remember her calling out bingo names “four corners or postage stamp”. I think I'll remember her calling her husband “Thomas or my honey bunny!” Or to Cathy saying “I love you this much.” Agnes loved her sweets and anything with peanut butter. I am confident that Jesus welcomed her home in the same way she welcomed others in her home with love. I also know that she heard the words “Well done my good and faithful servant!” Loving and celebrating your life, Laura Garcia
