“ Al and I enjoyed many great times over the years. I have so many great memories of golfing with Al. While I did not see him as often as I would like, I was fortunate to see him now and then when he came to North Carolina and he and my wife and I would visit and enjoy a dinner together. Rest in peace my friend you live on in our hearts.

“ Al was a great friend, teammate, and co-worker at The News-Herald. He was a very good baseball pitcher when I met Al, and one of my first friends when I moved from Euclid to Mentor in 1972. I remember we both made the varsity baseball team at Mentor High School our sophomore year in 1973 along with Thom Mock. Al had outstanding stuff, and he was just as great on our '74 & '75 teams. I always enjoyed catching a game when Al was pitching. We both ended up working at The News-Herald after high school and college. Al was one of the best Pressman I ever worked with in my 35 year career in the newspaper industry. I remember that he had a great smile and an unforgettable laugh. There are so many great memories I'll carry with me for the rest of my life. I was so fortunate to know him, to work with him, and to call him a friend. Rest in peace Stocker. I'll see you again someday. Until then, keep that arm warm. Frust.

Al was a neighbor of ours when we moved to Mentor on the Lake 10 years ago. We were the neighbors who talked over the fence. He got a dog he named Bonnie. Our Doogan loved Bonnie. He would call for her to come out. It may have drove Al nuts. When we were out & the dogs would bark he said don't worry it doesn't bother me. That's good because Mallori & Doogan loved doing their twilight barks. To his family, keep his memory alive for the young ones! Rest easy Al!
