“ Al and I shared two different apartments when we went to KSU. He was a wonderful roommate. Later we rekindled our friendship and Linda and I always made time to enjoy your company when we visited Ohio. We will miss him. Mary Alice please stay in touch.

“ Albert and I were in the same class in high school, he also lived just a couple of blocks away. We got to know him more when we went to class reunions. We thought of Albert and Mary Alice as special friends, and we are saddened by his passing. Mary Alice, you have our sympathy.

“ It was with great chagrin that I learned of Al's death, of a fellow Media Specialist. He was a champion, easy to get along with and so supportive of teachers and staff. He was part of a contingent of Shore friends, that my husband and I traveled with. Al was an exemplar of knowledge, kindness, helpfulness and positivity. I was honored to know and work with him. With thankfulness for knowing him. Dr. Lynda Sadowski
