“Dad, words can't describe the pain I am feeling. I miss you so much already. Thank you so much for being the greatest father in the world and for all you did for your kids and grandchildren. Thanks for fighting so hard to get better even when I know you just wanted to be with Mom. I know you did it for us. You are my hero and always will be. Thanks for teaching me how to be a husband and father. If I can be half of what you were I am pretty good. Volleyball season is fast approaching and it will be hard not to have you to share it with. Rachel will be playing harder than ever in your memory. She loved making you proud. God Bless you dear Father and please give my Mom a hug for me and tell her I love her and miss her tons. Tomorrow will be a tough day for me but I am so proud to honor you.

Until we are together again.

Jimmy
