“ Aunt Alice was a GREAT Aunt I loved as I grew up. I remember that she did things that my Mother did not know. Best memories are the ones around a family dinner table as well as when we took vacation trips together. We used to go to Columbus for Easter and then take summer vacation trips to Kentucky State Parks. She was passionate about her creativity too. I have a some things she and my mom made from fabric they found at a dumpster! I as an uncle now, try to offer that light of creativity with my nieces and nephew!
