“ *As past president of the Blackbrook Ladies League, I worked closely with Amy for many years as she was our "Social Chairman". We could always count on Amy to find some new & interesting locations for our social events. She reluctantly took over the position as president this year and from all reports was running the league in her normal friendly and efficient way. I will always remember Amy as a happy, up-beat type of woman. She will be missed by many. My condolences to the family on your loss of such a fine person.*

*Amy I am so sorry. We played golf together Tuesday and we were having a good time. I did not know when you left on the 10th hole that would be the last time I would see you. You will be missed by me and all the ladies in the Blackbrook golf league. I know you will be watching us on Tuesday mornings.*
