“ *Dearest Marta and Andy J. Dad and mom made a place in my heart that will always stay with me. A place that brought me peace and love during hard sad times, Andy and Marta were always there to help, listen and love unconditionally with all their hearts. My extended family who shared everything and even more if I needed it. I know that when my husband Steve (Andy's brother) passed away, they never left my side and help me get through my heartache, just knowing them and including me in their lives, kept Steve alive in my heart.... all the cemetery trips together... I have never felt so loved as I did and do with you in my life. I know that there will be hard days ahead for you when your heart will ache and moments more than you can handle, I pray for God's strength to be there to comfort you and give you peace. and remind you that in heaven there is no pain nor sickness and that He is with us always. The best place to be is in the arms of God.*

Forever in my thoughts and prayers and always with a heart full of love.
