“ Ann was a good friend and volunteer buddy. Although I miss her, I will try to celebrate her life and her release from the body that was failing her. I am deeply appreciative of the great care Sue gave her and I know Ann was too.

“ Looking back it made me realize just how much Auntie Ann was such a blessing for us as a family. She became our transportation for trips to Cortland . . She engaged us as children and provided more than I think I know for my mom, her sister, Julia. She will be missed. But I rejoice in the fact I will see her again.
