“ RIP Ms. Getz. I had the pleasure of "working" with her as a library assistant at Woodrow Wilson HS, class of 78.

“ God bless Anna "Bobby" Getz. She was a neighbor and a fellow staff member at Woodrow Wilson High School. I was an administrator at the high school in Bristol Township when she was the librarian. She was a competent librarian keeping the library filled with a vast variety of books, magazines and career information for the students. She was a dedicated professional from the old school of teaching helping make our school and district a viable educational institution. Jim Mannion
