

## Anne Felice Kline

January 23, 1960 - March 31, 2026

Anne Felice Kline, 66, of Mentor, passed away on March 31, 2026, at Hillcrest Hospital. She was born on January 23, 1960, in Mentor, to the late Nancy Felice.

Anne was happily married for 43 years. She was employed as a secretary to the Willoughby Hills Police Chief for 19 years. She taught at the Parish School of Religion and was on the confirmation team at St. Bede Church. Anne realized that she had a passion for teaching and went back to college to obtain her teaching degree. She taught at Horizon Science Academy and was an inspiration to her students. They knew that Anne truly cared about them and wanted them to be successful in life. Anne was held in high esteem by fellow teachers and administrators and was a mentor for many new teachers.

Anne retired after teaching for 15 years but did not slow down. She was the founder of Little Annie's Hope Train, a charity dedicated to helping the homeless. Anne was out in the streets on a regular basis providing snack kits, hygiene kits, bagged lunches, socks, hats, gloves, and many other items that the homeless needed. Her charity worked with many civic organizations and schools having packing events- assembling various kits to distribute. Her charity maintained over 30 free standing food pantries keeping them stocked for anyone in need, provided laundromat vouchers, and worked with other organizations to provide temporary housing for the homeless. The charity had

outstanding board members and volunteers who assisted her with the various programs.

Anne was a huge baseball fan and loved the Cleveland Indians. When traveling, she always made sure that some facet of baseball was involved. Anne attended many major and minor league games throughout the Midwest and South. In recent years, you could find Anne at Miracle League Park. She was a play-by-play announcer introducing players and providing commentary.

Anne was a cancer warrior and successfully beat cancer for over 10 years. In recent years, the cancer reappeared. While undergoing hours long infusions and thinking of others, Anne decided to provide chemo kits to other cancer patients. The kits contained notebooks and pens to record a journal, crossword puzzles, word books, notes of inspiration, herbal tea and many other items. Anne distributed these kits to local hospitals. Anne had many friends and made a difference in the lives of everyone she met. She will be sorely missed.

Anne is survived by her loving husband, David; siblings, Fran (Terry), Jenny (Tim), Giselle (Mike), Mary (Jim) and Jon; and her beloved fur baby, Snoopy.

In addition to her mother, Anne is preceded in death by her brother, Mike.

In lieu of flowers, contributions may be made in memory of Anne to her charity, Little Annie's Hope Train, <https://littleannieshopetrain.com/> or to St. Bede's Helping Hands Ministry and Food Pantry, 9114 Lakeshore Blvd, Mentor, OH 44060.

“ To Anne, I was A-M (short for Aunt Michelle) as she was the family member who brought me back to the Felice family after I divorced her uncle and decided to stop contact. I will forever be grateful for her kind heart, her loving and giving ways, her care for those forgotten or ignored by others, her relentless energy and so many more traits that I've not mentioned. I settled for being called A-M since I did not feel as if I merited being called Aunt. There is no other human on this planet who had the heart, spirit, energy, thoughtfulness that Anne had. The planet is not the same without her. We can only hope to continue her giving ways to honor her life. With love always ... <3

“ I knew Annie and her sister Fran when we were in Middle School in Cadette GirlScouts together in Troop 969 Mentor, Ohio under the leadership of Kathy Bartol ( Newman) and Evelyn Kiffmeyer. I remember Annie's mother too. I remember Annie as a lively, fun girl who had a positive attitude. I lost track of her during our adult lives but two years ago I found her on Facebook as I was searching for ways to reach out to the women who had been in our Scout troop as we were planning a reunion. We were Facebook friends then and I learned about Little Annie's Hope Train and the wonderful ways she served others in need. I got to know what a special person she was and the amazing inspiring woman she grew to be. I also learned of her valiant battle with Cancer for the past 10 years. Her positive attitude and care for others shown through that time as well. She misses her mother and her brother and now she will be missed by many many people but especially her husband and her sweet Beagle, Snoopy who never left her side during her difficult days of fighting cancer. We lost another one of our Troop 969 a little over a year ago, Mary Ostrow who battled cancer as well. Mary was a wonderful caregiver to her family and community, many many children in foster care were fortunate to find shelter and love in her home through the years and she was an adoptive mother as well. Great women emerged from the GirlScout Troop 969. Annie will be especially missed now.

“ Anne & the Felice family would dress their home yard with Halloween decorations. Going around our neighborhood, trickertreating, i was always there to get the candy. It was the best fun. I believe my sister, September, we're FB friends as my sister helped Anne with her teaching degree. Thank you Anne, for doing all that you did here. May your legacy be forgotten. Ti the Felice family, I'm so sorry for your incredible loss.

“ It brings me such joy to read the comments from some of Annie's students because, when she was 14, she was a student at LC in my Spanish class. I even remember where she sat and her love of baseball! To see what this incredible human being became as the grown-up Mrs. Kline, simply melts my heart....and, lucky for me, we re-connected years later through her charity. We also shared our mutual battle with cancer and our "luck" at having the same great oncologist! I've been blessed to have had Annie as my student, then friend. I know heaven is celebrating its newest resident, and yet Annie will be "directing" (thankfully) the continuing work of her beloved charity! I want to express my deepest sympathy on her loss to her wonderful husband and friends. May you one day know peace in your hearts, as you navigate the journey of grief!  
Sincerely, Jane Richmond

“ Mrs. Kline was the best teacher I ever had. She cared so much about each and everyone of her students. She truly loved teaching and you could tell by how much she poured into each one of us. My love of learning came from her. She pushed everyone of us to be our best. Her presence will surely be missed in this world. She was such a bright light and a beautiful soul!

“ I happened to see this on face book I didn't know her, but her story touched my heart she did so much good for everyone for so many people she definitely had a heart made of gold when God made her, he threw the mold away because it is hard to find such good hearted people in this world anymore. Anne was truly an Angel her on earth, but God wanted her because she will always be his Angel in heaven. So sorry for the family's loss I will pray for all of you during this very sad time may God bless you all and keep you in God's hands and protect you always.

“ Mrs.Kline was an amazing teacher who made such a difference in many children's lives and help to shape who they are today. She taught me that I needed to be the difference i wanted to see in this world. She taught me that everyone has a story and it is important just as much as your own.
