“ Arlene was my great-grandma. She was my Meemaw. She would always have a smile on her face to show that she cared. She always made the best rutabaga. I remember she would always have a bag of pretzels in her purse for my brothers and me to share when we were hungry. She had the most loving smile and the warmest heart. I miss her to this very day and still think of her. I remember when I was younger, she would wait for me and my siblings to get off the school bus. My brothers would always run up the driveway together, but I would stay behind with her, and she would give me an extra piece of candy. Every time I went over to her house, I would count how many owl-related things were in her house. Everyone says that I was her favorite, and she was mine. I loved her more than anything. She was my Meemaw and always will be. I picture her up in heaven, embroidering something beautiful and knitting it into a quilt. I have one of her quilts that she made me. I sleep with it, and it reminds me of her. I always loved to spend time with her, no matter what we were doing. I miss you, Meemaw. I hope you still think of me as much as I think of you. I wish you were still here to see everything I have done. All my accomplishments, I did them for you. I love you, Meemaw. To the moon and back.

“ My deepest condolences for Arlene Virginia's family. Arlene Virginia loved having a good time with family and friends. I don't think I ever saw her without a big smile! She was a devoted mother, grandma and great grandma. She always made you feel welcome and could put you in a great mood just being in her company. Arlene Virginia made the best baked ham I ever tasted!! I picture her up in heaven, holding a can of beer and making everyone smile. RIP Arlene, You put out a lot of love in this world, time to take it easy.....

“ My deepest sympathies. I will remember Arlene always smiling, always cooking something delicious, and yes always saying “Love you more”. I spent many nights over her house when Benita & I were in junior high school & Arlene always made me feel like family. She will be missed by many. May she rest in peace ❤️
