“ To the jackson family:

My deepest condolences. I am the paternal aunt of Jordan and I want your entire family to know that our family--truly loved ashley despite her breakup with my nephew. Please know that he is grieving too, though you may not be aware of it. He still loves ashley. Our family shared a bond with Ashley when she lived in Euclid and we will not forget her and please give lots of hugs and kisses to Jordan Mayo as we've not seen him in a long time--we will never forget Ashley.

With all do respect ma'am, I strongly believe someone who beats women and abused them physically and mentally doesn't "miss" someone if so that would be very odd.

“ Ashley this is crazy! We were friends all through high school! You were there when I had Adrianna. It kills me to know that we fell out and now you're gone. To Bev and the kids I'm so sorry! I know exactly what you all are going through. Praying for you all.
