“ *One great memory of Aunt Barb was at our wedding; The morning of, Adam was so nervous he decided to take a ride to Mom's to see Aunt Barb. He knew her positive aura would calmed him down and set him straight, and it did. During the ceremony, any time I glanced over at the guests, there she was, the biggest smile from ear to ear, and at the reception..... well..... she danced the night away. She was a free spirited, kind soul. We will always cherish the memories. Rest in peace Aunt Barb*

“ I remember Aunt Barbie, as the “fun aunt”. My favorite memory is the time she took us (the kids) on a “road trip”. We may have only traveled the short distance between Bridgeton and Surf City. She drove us in her beloved Z28. The music played and the volume was turned up for “American Pie”, as she sang every word. We stopped at her friend Taffy’s farm and of course, we got ice cream. That day, with her and my cousins, is a memory I will forever hold dear.

“ I am shocked because I just talked to her at Manakiki, July 22. As usual she was so engaging with everyone she talked to, going the extra mile. She fiercely cared about and advocated for her patients, when we worked at LHS. An excellent nurse and an amazing person. Rest in peace Barb!
