“ *Marc, Janene & girls,  
We saw your mother's passing in the paper, and wanted you to know we are thinking of you. Craig has shared many stories about how good your parents were to him when you guys were younger. And I'll always remember what a good meal she cooked us when we first moved back to Pennsylvania (I still have her cooked carrots recipe!) You are in our thoughts & prayers.  
Love,  
Craig, Michelle, Sam & Emily Govan*

“ *Marc,  
I was so sorry to see in the paper the passing of your Mother. I have fond memories of your parents (and you when you were a kid) visiting my dad's shop. Your parents were great. You and your family will be in my thoughts and prayers.
