“ *Barb and I met at work At Statewide Home Mortgage and became great friends and later went to Hallmark Mortgage as telemarketers. She made working fun. During baseball season we listened to the Cleveland Indians games on the radio while working. I thank her for getting me hooked on the Indians. She was a remarkable lady! Her greatest love in life was her family and grandchildren. She was a good, loving, Godly woman. She will be missed. I just regret that we didn't stay more in touch after my husband and I moved to WV. Tom and girls, you and Barb are In my thoughts and my heart always. Barb now rests in the loving arms of the Lord. May he keep his loving arms around all of you and comfort and bless you. Love, Laura*
