

Barbara Ann (Lemmo) Roberts

August 17, 2025

Barbara Ann (Lemmo) Roberts, 78, of Willoughby, OH passed away peacefully on August 17, 2025, surrounded by her loving family.

Barbara was a devoted wife for 44 years to her late husband, Bob, who passed away in 2011. Together, they raised three children - Sherri Zahorsky (Bob), Bob Roberts (Kim), and Denise Culek (Chris) - and made their home in Willoughby, Ohio.

She was a cherished "Gram" to Angela (Jake) Hall, Alec, Dominick, Bobby, Grace, Charlie, Gia, and Nicholas, and a proud great-grandmother to Jacob Jr. and, most recently, her namesake, Isabella Ann. Their smiling faces lifted her spirits, and she treasured their presence above all else. She always kept their favorite snacks on hand and was famous for preparing family meals that included everyone's favorites. Barb lived for her family - always present when needed, offering quiet support, and listening without judgment.

She also leaves behind her beloved sisters and traveling companions, Grace and Maryann, with whom she shared countless adventures and lifelong memories. They remained devoted to their older sister during her final days.

Barb's life was filled with love and laughter, and her generosity to others was unmatched. Her home was more than a house - it was a gathering place

where the door was always open - literally. She had a gift for cooking for large groups and found joy in serving others a home-cooked meal or dropping off food to someone in need. Barb also enjoyed trips to the casino, dining out, and reading on the beach in the Florida sun.

She was preceded in death by her husband, Bob; her parents, Anthony and Sylvia Lemmo; her brother, John Lemmo; and her in-laws, John and Connie Roberts.

Her family finds comfort in knowing that Barb and Bob are reunited once again.

At Barb's request, a private Funeral Mass was held. In lieu of flowers, donations may be made in Barb's name to Stacey's Purple Daisy Foundation at <https://staceyspurpledaisy.com/>

To celebrate Barb's legacy of generosity, warmth, laughter, and family, please consider providing a meal to someone as an act of kindness.

Arrangements entrusted to Brunner Sanden Deitrick Funeral Home & Cremation Center, Mentor, OH.

“ Aunt Barbara is going to be very much missed. I have so many memories of spending the nights at her house when I was younger. She was such an amazing aunt to me. She listened to me many of times when I needed an ear to talk to. She always had amazing advice, but would always let me know ultimately it was my decision on what I wanted to do in life. I will miss her pool parties and family picnics. Her amazing cheese and macaroni, roast beef and ravioli to name a few. It was stated she always had snacks in her house, and I can remember from as young as 8 years old always going into her snack cupboard and having choices of fun snacks. To know she is in heaven with Uncle Bob, Grandma, Grandpa, and Uncle John gives me peace knowing she is happy with them. It does not make it easier on how missed she will be here on Earth. Your memory will never fade and you will always be loved Aunt Barbara. Till we meet again... ~Angela
