“ *I am the grandson of Winifred Cregar and I have many fond memories of their visits and discussions in my childhood. Bebe was awesome! She was always there as a friend and those ladies knew how to have a great time. It was an event when Bebe came to visit she along with my grandmother were the most resilient and happy people I have ever met. Know that I am older and understand life's "bumps" I am even more impressed with there unflappable positive attitude. Her life is an inspiration to all. I offer my sincerest condolences and prayers for your family. She was truly one of a kind. Peace be with you always*
