“ *To say Ben Genovese was my friend would truly understated. He was much more than a friend, he was family. His love unconditional, friendship second to none. He was always, there for me in the best and most importantly, the worst of times. Laughter, to hear Ben laugh was to never forget it. He could make you laugh on your worst day. What's left now are the memories and the stories, and I've got a lot of them and everyone will make you laugh. My heart goes out to your family, I will always be here for them. Goodbye Ben, you will be missed. Your friend, Lou*

“ *This is one special guy with a heart the size of the moon. He was my right arm growing up and a very special person in my life. We had our rough times growing up but we all managed to get through them all. I couldn't of asked for a better brother, friend, and shoulder to grow up with. You are now at peace with Mom and Cindy and all of our family and friends Ben and I will personally miss you the most here, I love you for being my friend and mostly the best brother one guy can have. Rest in peace brother, I will always love you....*
