“ So many fond memories from Branch Ave...and of "The Club" - what a great group of gals. And thanks for all those hair cuts...maybe thats why I still get my hair cut in a salon instead of a barbershop. Of course, i got more than a haircut, I got counsel and encouragement. A year after my mom died, I stopped by to visit, and was met with a hug....not the polite, quick, casual type that I'm used to these days, but a sincere, severe, long and close hug meant to convey the love she intended...it took me back to where I no longer felt 50 something, but more like the neighbor kid, with my dear Aunt Bee....it brought tears to my eyes, just as the news of her passing did. Dave and Dan, my heart goes out to you. Hope to visit next time I'm in town. - Jim Rigby

“ So sorry to learn of Bee's passing..I have many happy memories of painting ceramics and laughter in her shop with my mother in law, Jean, and Aunts, Isabel, and Phyllis. We always "convinced" her to paint the "eyes" for us all. Skip remembers Bee bringing over fresh home-made donuts in the morning when he was young and misses that a lot!!! Rest in Peace Bee.
