“ Aunt Bernie,

You were always a spark of positivity. Your contributions to this family are countless and selfless. You made every special occasion that more special for me and or me and my significant other(s). [Humor]Beautiful arrangements of flowers that you would personalize with your loving touches made each centerpiece, corsage, bootanier, and or bouquet so much more than the piece itself. You were in a way always with each person you touched with your creations. May the flowers always bloom for you.

“ Our hearts break for the family and we are truly sadden by her passing. We were neighbors in 1970 and we will always cherish the memories with Bernice, Roger, Louie, Marty and Teresa. Bernice and I remained friends all this years and I always ordered flowers from her and stopped in to pick them up so we could "catch up"! We wanted so much to see her before she passed, but she left us to quickly when she got back home. Hugs and prayers to the family!
