Beth's spirit appeared in the gust of wind, on an otherwise windless day.

“ Heaven has gained an angel and a light in this world has gone out. My dear friend Beth, has left this world far too soon after battling ALS for 18 months. We met by chance in a racquetball league 30 years ago and became instant friends. We progressed to tennis and that became a passion for decades. Beth was the classiest, most refined woman with impeccable taste. She was married to the love of her life for 54 years. My heart goes out to Maurice, her daughter Chrissy, and her entire family and friends. A piece of my heart will be gone forever .

“ I enjoyed partnering online with Beth in our duplicate bridge club for the past year. She was a very good bridge player and always eager to learn. She did not share the depth of her health challenges with me until the final weeks of her life. What a courageous woman. Deepest sympathy to all who knew and loved Beth.

Thank you Jan for sharing. Beth was hurting pretty badly, but endured her pain, in the last 2 weeks she was taking morphine to ease her suffering.

I am so sorry for your loss.. Beth was a beautiful girl.. She is in God's hands now and no more pain.. I am the next door neighbor to the Kowalskis . Beth's mom and a few of us woman would get together on weekends and have a yard sale.. We always asked Gert , "how was the weather in Ohio the last time you talked to Beth?" She always said what ever you had in Ohio we would get in a few days.. My sympathy to you and your entire family .. Phyllis Shafer.

Of course I remember you, your brother and your parents. Tony was the best. I remember when John, Gert, Mary and Tony went down to Long Island to our new home to visit. Mary looked around and said what's taking so long to unpack all these boxes. Mary and Gert got everything unpacked and put away. Tony built a shed in the backyard, all in 2 days. Beth and I were lucky to have friends like Mary and Tony, I miss them.

Beth and I were in home room together all throughout high school. I considered her a good friend. I just heard the other day about her being ill. I'm so glad she is at peace. I so enjoyed the beautiful pictures of her life, thank you for sharing them.

When I married Jim Krebs my greatest wedding gift was getting Beth as a sister-in-law. She was still in high school and we had the pleasure of watching her turn into such an incredible woman. When she and Maurice lived in New York we saw each other frequently at her parents. The three grandchildren were each a year apart with Chris in the middle and there are so many memories of them playing in the little pool in the back yard. There was the never-to-be-forgotten Old Fashioned Christmas when not everyone made it to dinner, After they moved to Cleveland it was Beth who held us together as a family. Our older son and his family came from Indianapolis, we from Valatie and Beth was the incredible hostess you know her to be. She was the favorite fun aunt and the the center of everything. Her smile lit the room, and she met life with such joy and brought everything along with her. We all have lost a force of nature - "A thing of beauty is a joy forever" Wm. Keats
