I had been searched and looking for Beth and I was stunned when I saw newspaper. I went down to Florida to visit her and found out the neighbor told me that she moved back to Ohio. She is really my best friend during high school years, college and went wedding. I still keep my note what Beth wrote note when we both graduated high school. I will never forget her. I missed her and she is my maid of honor- my wedding 49 years ago. I know she mentioned me that she had been illness and health problem. She is finally rest in peace and no more suffer. Our deepest sympathy to their children and family.

“ *So sorry to learn of Beth's death. Had visited with her and her mom Betty in Mentor and talked to them both after they moved to Florida. After Betty's death, Beth told me she was moving back to Mentor. Had not heard from her after that. I knew she had been ill for some time, but she was always happy and optimistic. My sincere condolences to her family. Susan (Strong) Conn - Second Cousin.*
