“ Aunt Betty was a life like I never knew. She loved life and everyone. Loved to hear her stories and spend time with her whenever I could. She was one of my all time favorite people and will be missed. I know she's in Heaven with her brothers, sisters and parents and know it must have been a wonderful homecoming. Till I see you again Aunt Betty, you'll still be alive here with me. Love you always, Chris

“ Auntie was a very special lady. She enjoyed life and never met a stranger. If she talked to you , you were not a stranger. "She loved talking with everyone". She is missed and will be missed for as long as we all remember her. I was blessed to of had the last five year to really connect with her. We made a lot of wonderful memories in five years to be added to what memories we already had. I will miss her daily phone calls. Maybe she'll give me a call from heaven to let me know what's happing with her now??? RIP AUNTIE
