“ My deepest sympathy to the Powell and Van Ooyen families for the loss of Bonnie. My love for her will be forever remembered. I just found out about Bonnie’s passing. It broke my heart and I was so shocked. I met Bonnie in 1980 during her stay in San Francisco. When we met, we became immediate friends. We had so much in common, our family, our heritage, and enjoying life. Bonnie’s personality always lifted me up, as well as everyone around her. That was something that made her so special. And she always put a smile on everyone’s face. I do remember that her home was in Cleveland and that her family meant so much to her. As much as she loved San Francisco, I always knew that Cleveland was her home. I had the most wonderful time knowing Bonnie while she was here in the Bay. My thoughts will always be there for her.

“ We were so shocked and saddened to read Bonnie's obituary. It was our pleasure and privilege to live next door to the VanOyens on Nauman Ave. for six years. They were not just our neighbors they became our friends. We treasure our memories there !

Bonnie was still a teenager when we moved in and we were not much older. We can still see her smile and hear her voice and laughter. She was just so vibrant. Hearing her call her dog "Popeye" gave us a real kick. When she went off to work in her new car and when she returned home in the evening , we were always glad to see her.

Our heartfelt sympathy goes out to all of her family and friends. We truly loved her.
