“ *The trip in the snow to PRT was one of the craziest business trips I've ever gone on. Through the harrowing weather, we still laughed it off. Thank goodness for the van and the calm demeanors in the car. Halloween will never be the same around Mayfran.*

I am proud to say I have known you for over 10 years.. I am going to miss seeing you pop up in my office and getting engrossed in some type of silly conversation about life. You were kind to everyone no matter any faults or differences and your cool sense of style and attitude towards life was always enlightening. You had a sweet soul that I will cherish and miss forever. My most sincere condolences to Jessalyn and your family.*
