“ *BrittBratt has truly made a lasting impression on all of those whom she came encounter with. Her and I had many conversations and shared many stories which I'm sure we both held dear. It truly sucks that we couldn't have made more memories, shared more laughs, and cried a few more times. However, i know her beautiful self and soul are both at peace.*

“ As Brittany’s boss I was so saddened to hear about Brittany’s passing. Her entire work family is devastated. Brittany was loved by all and it was an honor to work with her. Her patients also loved her and she provided excellent care to them. Fly high sweet girl...you will be missed by all!!

My condolences 🌸. I never got a chance to work 1 on 1 with Brittany. I however did observe her in action with her peers and patients. She was organized and dedicated to her work. She certainly will be missed by the staff at Select. Rest in eternal peace Brittany.
