“ We are so sorry for your loss! We lost contact with Bruce over the years but we have many great memories to hold on to. John certainly had fun chartering with him, in fact, I just found one of his business cards for The Behr Necessity Charters. What a personable guy he was, someone who will definitely be missed. Many thoughts and prayers are with you both, Francine and Justin.  
Sincerely, John and Debbie Phelps

“ Oh my gosh, to Francine and Justin, when Ken handed me the paper yesterday morning I couldn't believe what I was reading...our sincerest sympathy. You know how they say you can't pick your neighbors, well we sure got lucky with you and Bruce. We miss you guys to this day and wish we had kept in touch when we all moved away from the neighborhood in Mentor. Just wanted you to know you are in our thoughts today and always.
